

MARKET RESEARCH QUESTIONNAIRE

The National Aeronautics and Space Administration (NASA), George C. Marshall Space Flight Center (MSFC) is conducting market research pursuant to the Federal Acquisition Regulation Part 10. It is anticipated a single solicitation will be issued for Acquisition and Business Support Services. The Government contemplates awarding an indefinite delivery indefinite quantity (IDIQ) contract with firm-fixed price fully burdened labor categories. These services will be provided for MSFC Alabama and Michoud Assembly Facility (MAF) Louisiana.

Please answer the following questions:

1. In light of FAR 52.219-14, Limitation of Subcontracting, can your firm perform at least 50 percent of the cost of the contract performance incurred for personnel within your firm?
2. The North American Industrial Classification System (NAICS) code for this preponderance of the required services is 541219, which sets the small business size standard at \$20.5 million (below \$20.5 million 3 year average gross revenue is considered small, above \$20.5 million 3 year average in gross revenue is considered large).

Based on this standard, what is your business size, small or large?

_____ Small _____ Large

3. Is your firm eligible for participation in one of the following small business programs? If so, please indicate all that apply.

_____ Small Business

_____ Small Disadvantaged Business

_____ 8 (a) program

_____ Woman-owned small business concern

_____ Economically disadvantaged woman-owned small business concern

_____ Veteran-owned small business concern

_____ Service-disabled veteran-owned small business concern

_____ Hub Zone
